

INDEPENDENT RESTORATION CONSULTANTS FOR COMMERCIAL, LARGE & COMPLEX LOSS

RIC provides independent consultancy services to insurers, builders, restorers and loss adjusters to reduce costs whilst enhancing restoration and repair outcomes.

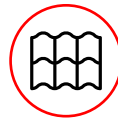

Our highly qualified and experienced consultants help to mitigate risks, ensure compliance and reduce claim lifecycle. As Indoor Environmental Professionals (IEP's) & Restoration Consultants, RIC can address all environmental hygiene and clearance requirements as well as provide expert advice on all aspects of restoration.

Our proven track record clearly demonstrates that RIC consistently delivers substantial savings on Commercial, Large & Complex insurance claims across Australia and abroad.

Our Commercial, Large & Complex Loss Insurance Claim Consulting Services

- ✓ Determining immediate "make-safe" and engineering controls to mitigate further loss
- ✓ Determine suitability for occupancy (partial or full)
- ✓ Assess the property for damage and provide the scope of works for restoration
- ✓ Clearly determine any resultant contamination and the appropriate response
- ✓ Identify any damage that is pre-existing and unrelated to the claim
- ✓ Structural drying strategies & expedited drying
- ✓ Restoration & remediation scope validation
- ✓ Advise on compliance with relevant standards and guidelines
- ✓ Determining possibility and suitability of salvageability
- ✓ Provide recommendations on claim lifecycle reduction
- ✓ Advise on the Implementation of appropriate engineering controls
- ✓ Post Remediation Verification/Clearance
